5.78.050 Vehicles to be covered.

Any vehicle used by such scavenger in his business shall be equipped with covers for such portions as are used for the transportation of refuse.

5.78.060 Refuse disposal restrictions.

It is unlawful for any scavenger to dispose of or store any refuse in any place in the city limits or within one mile thereof except in such areas as are approved for such disposal or storage.

5.78.010 License—Required—Fee.

It is unlawful to engage in the business of scavenging, or collecting or disposing of animal or vegetable refuse or offal, without first having secured a license therefor. The annual fee for such license shall be as specified on the fee schedule adopted pursuant to section 5.06.050.

5.78.020 License—Application.

Applications for such permits shall be made to the license official, and shall be referred by him to the manager. No such permit shall be issued except on order of the manager.

5.78.030 Reports from licensee required.

Every person granted a license under the provisions of this section to collect garbage, trade waste or market waste must report to the health department the names and addresses of all places of business or individuals from which collection of any such materials is made by such licensed collector. Report must be made as required by the health department.

5.78.040 Section provisions supplementary.

The provisions of this section shall supplement and be in addition to those provisions found under the rules and regulations of the health department.
